

YEARLY STATUS REPORT - 2021-2022

Part A

Data of the Institution

1.Name of the Institution ST.MARTIN'S ENGINEERING COLLEGE

• Name of the Head of the institution Dr. P. SANTOSH KUMAR PATRA

• Designation Principal

• Does the institution function from its own Yes

campus?

• Phone no./Alternate phone no. 9000444578

• Mobile no 7997267788

• Registered e-mail principal@smec.ac.in

• Alternate e-mail drpskpatra@gmail.com

• Address St.Martin's Engineering College

Sy. No.98 & 100, Dhulapally Road,

Dhulapally, Near Kompally,

Secunderabad-500100 Telangana,

India.

• City/Town SECUNDERABAD

• State/UT Telangana

• Pin Code 500100

2.Institutional status

• Affiliated / Constituent Autonomous College

• Type of Institution Co-education

• Location Rural

Page 1/147 18-01-2023 12:51:25

• Financial Status

Self-financing

• Name of the Affiliating University Jawaharlal Nehru Technological

University, Hyderabad

• Name of the IQAC Coordinator Dr.S.V.S.Rama Krishnam Raju

Phone No.
 8309141486

• Alternate phone No. 9703050004

• Mobile 8309141486

• IQAC e-mail address deanacademics@smec.ac.in

• Alternate Email address hodmech@smec.ac.in

3. Website address (Web link of the AQAR

(Previous Academic Year)

https://www.smec.ac.in//Academics

/Igacssr

4. Whether Academic Calendar prepared

during the year?

Yes

• if yes, whether it is uploaded in the Institutional website Web link:

https://www.smec.ac.in//Examinati
onnotifications/academicCalendara

u

5.Accreditation Details

Cycle	Grade	CGPA	Year of Accreditation	Validity from	Validity to
Cycle 1	A+	3.26	2019	01/05/2019	30/04/2024

6.Date of Establishment of IQAC

14/08/2013

7.Provide the list of funds by Central / State Government UGC/CSIR/DBT/ICMR/TEQIP/World Bank/CPE of UGC etc.,

Institutional/Depa rtment /Faculty	Scheme	Funding Agency	Year of award with duration	Amount
St. Martin's Engineering College	UGC PARAMARSH	UGC	11/09/2019	2812000
St. Martin's Engineering	MSME INCUBATION	MSME	30/04/2020	1500000

College	CENTER			
St. Martin's Engineering College	GHMC 3RD PARTY CONSULTANCY	Greater Hyderabad Municipal Corporation (GHMC)	20/03/2019	444000000

St. Martin's Engineering College	AICTE SPICES	AICTE	10/09/2021	100000

8.Whether composition of IQAC as per latest NAAC guidelines

Upload latest notification of formation of IQAC

View File

9.No. of IQAC meetings held during the year 3

- Were the minutes of IQAC meeting(s) and ves compliance to the decisions have been uploaded on the institutional website?
- If No, please upload the minutes of the meeting(s) and Action Taken Report

No File Uploaded

10.Whether IQAC received funding from any of the funding agency to support its activities during the year?

• If yes, mention the amount

11. Significant contributions made by IQAC during the current year (maximum five bullets)

1. National Board of Accreditation (NBA) for all Undergraduate Courses (UG) 2. Achieved National Institute Ranking Framework (NIRF) 3. Achieved Atal Ranking of Institutions on Innovation Achievements (ARIIA) 4. Achieved 5 star rating in Institution's Innovation Council (IIC) 5. UGC Paramarsh 6. Greater Hyderabad Municipal Corporation (GHMC) Third Party Consultancy 7. MOU's with Various Industries 8. Hyderabad Metropolitan Water Supply and Sewerage Board (HMWSSB) Consultancy. 9. Achievement of AICTE KARMA. 10. Achievement of NIELIT. 11. Achievement of "AICTE Happiness Award".

12.Plan of action chalked out by the IQAC in the beginning of the Academic year towards Quality Enhancement and the outcome achieved by the end of the Academic year

Plan of Action	Achievements/Outcomes
Conduction of Energy Audit	Conducted during 19th August 2021 to 20st August 2021 and the substantial savings energy have been recorded with the implementation of Energy Conservation Methods.
Conduction of Green Audit	Conducted during 3rd Sept 2021 to 4th Sept 2021. The percentage of green belt in the institute is increased by planting additional trees. This activity is inline with the 'Harithaharam' movement launched by Telangana State Government
Sensitizing faculty to Research	The number of Research Proposals/Projects and Consultancies has been remarkably increased.

13. Whether the AQAR was placed before statutory body?

Yes

• Name of the statutory body

Name	Date of meeting(s)
External Peer Team	15/10/2022

14. Whether institutional data submitted to AISHE

15. Multidisciplinary / interdisciplinary

St. Martin's Engineering College (SMEC) encourages the Multidciplinary/ interdisciplinary research. SMEC has dedicated R&D division which encourages all the faculty and students for performing research in interdisciplinary fields.

Some of the innovative technologies invented in interdisciplinary fields are:

- 1. 3D printer
- 2. Compressed Air Car.
- 3. Drone fertilizer in Agriculture
- 4. Library Kiosk system
- 5. H9 Car
- 6. Mission Agriculture System
- 7. Spy Software Air Car
- 8. Seed Sowing Machine.
- 9. Agriculture Field Motor Control using GSM
- 10. Micro Chef and many more

SMEC encourages and allocate funds for the interdisciplinary field research. Lot of sessions like Guest Lectures, Workshops, FDPs, STTPs are conducted to motivate the students and the faculty for performing the research in interdisciplinary fields.

16.Academic bank of credits (ABC):

In the view of National Educational Policy (NEP) 2020, Academic Bank of Credits has been established on the lines of the National Academic Depository (NAD), in the sense, NAD is the backbone of ABC, where the students' academic data are held and academic awards are stored (i.e. storehouse of academic awards). SMEC are in the process of implementation of Academic Bank of Credits. As

the insitute is under affliated to JNTUH, SMEC will collabate with the affliated university for implementing the Academic Bank of Credits.

17.Skill development:

St. Martin's Engineering College (SMEC) focuses on skill development for the students. Many intitatives have been implemented for developing the skill set of the students and faculty. In the acadacemic year 2021-22, more than 100 technical events like Guest Lectures, Seminars, Workshops, Industrial Visits, Technovations etc. are organized for showcasing and improving the Skill set of the students. The insitution also incorporates Micro, Mini and Major Projects are developing the technical knowledge skill set of the students apart from their subjects.

SMEC has taken a step head regarding Skill develoment of students who are studying in 10th, intermediate in the schools. SMEC has got approval for the AICTE intitiation "Kaushal Augmentation and Restructuring Mission of AICTE" (KARMA) under model 3 category. Under AICTE KARMA scheme the institute develops the skill of students studying 10th and intermediate of various schools in the domains of Computer Technical Support, Graphics Designer, Photo Editor, Magazine and Newspaper Designer etc.

18.Appropriate integration of Indian Knowledge system (teaching in Indian Language, culture, using online course)

Currently institute is not impelenting Indian Language or local languages teaching. However, based on the situations teaching in the indian or local languages can be inititated.

19. Focus on Outcome based education (OBE): Focus on Outcome based education (OBE):

- 1. Outcome Based Education (OBE) is implemented in St.Martin's Engineering College (SMEC) to give emphasis on what is expected from the students when they finish their course in the form of Course Outcomes.
- 2. In line with Course Outcomes, Program Specific Outcomes (PSOs) and Program Outcomes (POs) are then attained to measure the performance of the students.
- 3. The OBE education is mandatory in all regulating bodies like NBA, NAAC and other Accreditation Committees.
- 4. A set of Program Outcomes are given by the NBA to be followed

by all the institutions.

- 5. Keeping all the Program Outcomes in mind every department prepares its Program Specific Outcomes.
- 6. Based on the Program Outcomes and Program Specific Outcomes, the faculty of all departments then prepares the Course Outcomes for all the courses offered.
- 7. Every Department of the Institution publishes its Program Specific Outcomes (PSOs) along with the Program Outcomes (POs) given by NBA and Course Outcomes (COs) of all its courses in the college website (SMEC-Educational Objectives &Outcomes).
- 8. POs and PSOs are displayed in Staff rooms, Offices of Heads of Departments, all the classrooms, corridors and laboratories.
- 9. Students and staff are made aware of these through various meetings, classroom teaching, lab experiment, and interaction sessions.
- 10. Program Outcomes (POs) and Program specific Outcomes (PSOs) are discussed in student induction program, to get clear idea of what they are going to learn.

20.Distance education/online education:

Currently the institution is not serving Distance education/online eduction.

Part B

CURRICULAR ASPECTS

1.1 - Curricular Planning and Implementation

1.1.1 - The Institution ensures effective curriculum delivery through a well planned and documented process

SMEC has effective procedure for the curriculum delivery. Before handling any subject, the faculty prepares the course file and verified by the subject expert and then HODs verification. The verified course file will be approved by Academic audit committee (AAC) member and Dean of Academics. At the final level the principal attest the course file. The college has the practice of preparing session planning, clearly defined program outcomes, program specific outcomes and course outcomes which are mapped so as to evaluate the students in terms of attainment of Graduate attributes and Learning Outcomes which are incorporated in course file. The course file contains 20 parameters session planner, lecture notes, assignment questions, Previous year question papers, time table, target for the result, weak student lists, CO PO mapping and attainments etc. The most important parameter is the pre delivery talk. in whichthe faculty has to attend a predelivery session infornt of the HOD and senior faculty panel of the concenred department

before handling the first class. On the approval of the HOD, the faculty can handle the concerned subject for that particular semester.

File Description	Documents
Upload relevant supporting document	No File Uploaded
Link for Additional information	<u>NA</u>

1.1.2 - The institution adheres to the academic calendar including for the conduct of Continuous Internal Evaluation (CIE)

SMEC has a very robust process for the preparation and adherence of the Academic calendar. The institution prepares the academic calendar every year in advance. The coverage of the academic calendar covers the list of examination dates, seminars, conferences, guest lectures, workshops and industrial visits holidays, vacation dates, festivals, etc. The academic calendar provides the total effective working days available in a given semester. Then based on the calendar, the HOD's in consultation with the Principal prepare the timetable by correlating the working days available and coverage of the curriculum of the subjects. Thus the academic calendar monitors the effective delivery of the program with academic inputs. The calendar is made available to the students before the commencement of classwork. The academic calendar is displayed on all the department notice boards and is made available on the website. The academic activities within the institution are strictly adhering to the calendar events. All the examinations are being conducted as per the Academic Calendar.

1.3 - Curriculum Enrichment

1.3.1 - Institution integrates crosscutting issues relevant to Professional Ethics, Gender, Human Values, Environment and Sustainability into the Curriculum

In order to combine the cross-cutting issues like gender sensitization, Environment Sustainability, Human Values and Professional Ethics, at SMEC, students are nurtured to develop other attributes, like gender equity and sustainability at academics.

Gender Sensitization:

The institution has a responsibility to build gender sensitivity among the students and staff. The value of gender equity needs to be integrated in the learning process through curriculum.

Environment Sustainability:

At SMEC, awareness programs are initiated by NSS with extensively carried out activities to support environmental protection and ecological preservation. Eco Club conducts Awareness programs such as 'say no to plastic', 'walk more drive less' and 'save earth'.

Human Values and Professional Ethics:

We are undoubtedly living in a developed world. Modern technologies are affecting human values and professional ethics. Subject titled 'Human Values and Professional Ethics' is introduced for B.Tech students, so that they can imbibe and practice human values.

Industrial Property Rights

Intellectual property plays an important role in providing a competitive edge to an organization. The intangible assets of an organization - such as knowhow, inventions, brands, designs and other creative and innovative products - are, today, often more valuable than its physical assets.

2.2 - Catering to Student Diversity

2.2.1 - The institution assesses the learning levels of the students and organizes special Programmes for advanced learners and slow learners

The students are divided into two categories - slow learners and advanced learners. The criterion for categorizing into slow learners and Advanced Learners.

At Entry level, the college organizes a 21-day Induction Program for the new incoming batch students every year. The program helps the students to get familiar with the Institution, curricular and co-curricular activities, facilities, rules and regulations of the University and Institution. A special test is conducted for the first year students after admission and categorized as under: Slow Learners: Less than 20 marks out of 50 marks. Advanced Learners: Above 20 out of 50 marks.

ForII/III/IV Year Students the slow and advanced learners are identified as per the Mid (Internal) exam conducted for the II/III/IV year students, they are categorized as under: Slow Learners: Less than 14 marks out of 25 marks (As per JNTUH) and Less than 16 Marks out of 30 marks (Autonomous) Advanced Learners: Above 14 marks out of 25 marks(As per JNTUH) Above 16 Marks out of 30 marks (Autonomous).

Special programs likeRemedial classes are conducted beyond the college hours (i.e. 3:50 pm to 4:30 pm), Weekly Test /Slip Test Classroom Interactions are conducted for slow leaners. Advanced Learners are encouraged to be members of professional bodies like IEI, IEEE, ISTE, CSI, ACM, IETE, ISTE, SAE, and IWE under which various technical events are organized Various clubs/Technical associations like STAC, BETA, ECTA, TAIT, and META are formed for conducting various activities.

2.2.2 - Student- Full time teacher ratio (Data for the latest completed academic year)

Number of Students	Number of Teachers
3868	327

File Description	Documents
Any additional information	No File Uploaded

2.3 - Teaching- Learning Process

2.3.1 - Student centric methods, such as experiential learning, participative learning and problem solving methodologies are used for enhancing learning experiences

The college focuses on imparting technical knowledge which enhances critical thinking and gives scope for creative imagination among students so that when they grow up they become responsible citizen of the country. The Institute follows the student centric methods that are used for enhancing the learning experiences of students to implement Outcome Based Education (OBE) such as Experiential learning Participative learning and Problem solving methodologies.

Experiential Learning:

The students are provided with the following types of learning mechanisms to improve experiential performance Additional Lab Experiments / Content Beyond Syllabus.

Library E-Resources:

Library is committed to providing quality service and an excellent collection of materials to support the mission, goals, educational, and research needs of students, staff, faculty, and administration, users and in support of the College's diverse curriculum. A Timetable is allocated in Institution academic calendar for the students to access the library during college hours.

Industrial Visits:

Two industrial visits per year are planned to provide industrial exposure and hands on experience with practical implementation on the latest technologies which empower the students to meet the industry requirements.

Student Internships:

Students are also encouraged to undergo internships during academic semester breaks in relevant industries. This allows them to gain practical experience of the technology and environment which enhances their career skills.

Placement Related Learning:

Placement training is important for engineering students to enhance their employability skills and achieve good placement in various Industries.

Technical Activities:

The Institution organizes various technical activities to enhance the learning skills of students

2.3.2 - Teachers use ICT enabled tools for effective teaching-learning process. Write description in maximum of 200 words

ICT is defined as a "diverse set of technological tools and resources used to communicate, and to create, disseminate, store, and manage information.". These technologies include

computers, the Internet, broadcasting technologies (radio and television), and telephones. The use of ICT enabled teaching methods added value to teaching and learning, by enhancing the effectiveness of learning. It added a dimension to learning that was not previously available. After the inception of ICT methods, students found learning in a technology enhanced environment more stimulating and engaging than in a traditional classroom environment. The Institution has 66 ICT enabled classrooms including 7 smart class rooms. The institution implemented the following ICT tools and resources in teaching learning process. All the classrooms are eneabled with LCD Projectors, Laptop with LCD Projectors, Computers, IRIS. The smart classrooms are enabled with smart boards, Youtube videos, Podium wth inbuilt PA systems, Internet connectivity. The smart boards in the smart classrooms are designed in such a way that the faculty can split the board into 4 parts where the faculty can play a video, project PPT and can write the mathematical formulae at one single time. The faculty uses the Swayam and MOOCS courses for teaching the students the content beyond syllabus and additional lab experiments. Apart from these, the institute has Seminar hall and Auditorium of together thousand capacity and with ICT Facilities for conducting Guest Lectures and Workshops. The library has e-learning resources where the student can access various journals for his/her research work.

2.5 - Evaluation Process and Reforms

2.5.1 - Mechanism of internal assessment is transparent and robust in terms of frequency and mode. Write description within 200 words.

The following Mechanisms are adopted and implemented by an examination committee which is constituted at institute level for the internal assessment which is Transparent and robust in terms of frequency and variety.

Mechanism of Summative Assessment

- 1.Internal Assessment is done twice in a semester for the students in terms of theory, practical and Assignments scheduled as per the academic calender.
- 2.Two sets of Question papers are prepared by applying BTL and also mapping the questions with Course outcomes which are submitted to the examination department after the HOD and DAC committee approval.
- 3. The chief superintendent of the examination department can select any one set of question paper and issue the same.
- 4. After Evaluation the answer scripts are given to students after the completion of evaluation for verification of the marks.
- 5. The project works are scheduled into three cateogories, industry oriented mini project, project stage I and project stage II.
- 6.For the Assessment ofprojects, a PRC is formed constituting HOD, Project Coordinator and two senior faculty members and a PRC meet is conducted to finalize the project proposals and guides are allotted as per the project domain.

- 7. The project assessment is doneby conducting four PRC meets at different phases such as Analysis, Design, Implementation & Deployment to meet the requirements and the same are displayed on the notice board after every PRC meet.
- 8. Comprehensive viva-voce for the projects is assessed by the external examiner.

2.5.2 - Mechanism to deal with internal examination related grievances is transparent, timebound and efficient

Mechanism to deal with examination related grievances is transparent, time-bound and efficient:

At the Institute level, an examination related Grievance Committee is constituted, with a senior teacher as convener and other teaching staff as members to handle the examination related grievances in transparent, time-bound and efficient student grievances with respect to the evaluation.

Redressal of Grievances levels are as follows:

The examination branch of the college is a confidential section with the responsibility of smooth conduct of examinations for all the courses and maintenance of student records. Conduction of all examinations is the main activity cell. The Controller of Examinations coordinates with the Principal in regards to all examination matters.

- 1. Students should be aware of the time tables for academics, internal examinations and general instructions.
- 2. The above said grievances are addressed by communicating to all the students of various departments and faculty members through college notice board one week before the commencement.
- 3. After the evaluation, students are allowed to verify their answer scripts to know their performance in the test.

4. If any grievances, the students are allowed to bring in to the notice of respective faculty members as well as HOD and can be resolved within 2 days which reflects the transparency and time bound mechanism adopted in the system of assessment.

2.6 - Student Performance and Learning Outcomes

2.6.1 - Programme and course outcomes for all Programmes offered by the institution are stated and displayed on website and communicated to teachers and students.

Preparation and Dissemination of Program Outcomes, Program Specific Outcomes and Course Outcomes

- 1.Outcome Based Education (OBE) is implemented in St.Martin's Engineering College (SMEC) to give emphasis on what is expected from the students when they finish their course in the form of Course Outcomes
- 2.In line with Course Outcomes, Program Specific Outcomes (PSOs) and Program Outcomes (POs) are then attained to measure the performance of the students
- 3.A set of Program Outcomes are given by the NBAto be followed by all the institutions
- 4. Keeping all the Program Outcomes in mind every department prepares its Program Specific Outcomes
- 5.Based on the Program Outcomes and Program Specific Outcomes, the faculty of all departments then prepares the Course Outcomes for all the courses offered.

Mechanism for Communicating Program Outcomes, Program Specific Outcomes and Course Outcomes to Teachers and Students

1.Every Department of the Institution publishes its Program Specific Outcomes (PSOs) along with the Program Outcomes (POs) given by AICTE and Course Outcomes (COs) of all its courses in the college website (SMEC-Educational Objectives &Outcomes).

- 2.POs and PSOs are displayed in Staff rooms, Offices of Heads of Departments , all the classrooms, corridors and laboratories
- 3.CO is displayed in display boards of laboratories and students are made to write the COs in their class notebooks of the respective course.
- 4.Program Outcomes (POs) and Program specific Outcomes (PSOs) are discussed in student induction program, to get clear idea of what they are going to learn

Upload COs for all Programmes (exemplars from Glossary)	<u>View File</u>

2.6.2 - Attainment of Programme outcomes and course outcomes are evaluated by the institution.

The procedure for evaluating the attainments of Program Outcomes, Program Specific Outcomes and Course Outcomes

The attainment of Program Outcomes and Program Specific Outcomes is evaluated by taking 80 % of the Direct Assessment and 20 % of the Indirect Assessment. Whereas the Course Outcomes are evaluated based on Direct Assessment only.

Procedure for Attainment through Direct Assessment (80%):

- 1.A meeting is conducted in the individual departments where faculty are requested to map the relation between the Course Outcomes (COs) and Program Outcomes (POs)/Program Specific Outcomes (PSOs) based on the below given conditions: If the concept of CO is matched
- 2.80% or more with the concept of PO's (or) PSO's, it's mentioned as level 3 (Highly Related)
- 3.In between 60% to 80% with the concept of PO's (or) PSO's,

it's mentioned as level 2 (Moderately Related)

4.Less than 60% with the concept of PO's (or) PSO's, it's mentioned as level 1 (Slightly Related)

5.Direct Assessment Tools:

Internal Assessment (Conducted at Institution Level for 25 marks). University Examination (Conducted at University Level for 75 marks). Internal assessment and University Examination results serve as an input for calculating attainments of all the outcomes.

Procedure for Attainment through Indirect Assessment (20%):

1. This indirect assessment contains feedback from various stakeholders such as alumni, parents, students, faculty and employer along with survey.

The final PO and PSO attainment are calculated by adding 80% of Direct Assessment and 20% of Indirect Assessment.

3.2 - Innovation Ecosystem

3.2.1 - Institution has created an ecosystem for innovations and has initiatives for creation and transfer of knowledge

Innovation Ecosystem:

SMEC Faculty and students nurture innovation ecosystems, to systematically cultivate research environments with following functions and facilities. These functions are facilitated by different organs, Incubation centre, Entrepreneurship Development Cell etc.

Facilities in SMEC

Software used for research CATIA, Hyper works ANSYS.

Metallurgical microscope equipped with microscope camera and metallurgical image analysis software Stand Pro for designing of building, bridges and roads, CAD, Arc GISKeil software for designing and developing embedded system GNU/JDK 1.8, Netbeans, J2EE, Latex, GNU/Ubuntu Operating Open office, GCC, Filezilla,

18-01-2023 12:51:26

GNU/Ubuntu Operating System, GCC, Weka, R-language, GNU/Ubuntu Operating System, GCC, Android studio, GNU/Ubuntu Operating System, GCC, Arduino, Raspberry-pi

R& D Cell

The Institute has a dedicated Research and Development Cell. R & D cell functions with its ally Incubation Center, EDC, IPR Cell, and Start-up with departmental labs. The quality of research publications is maintained using Drillbit software.

Entrepreneurship Development Cell

Entrepreneurship Development Cell aims for the overall development of the Entrepreneurial skills and abilities among the student fraternity. Awareness program, Seminars, Skill development program has been organized under the Cell.SMEC students started receiving international awards and funding (4000 USD) from George Mason University Virginia, USA for our best start up.

Incubation Facilties

The institution has different incubation facilities like

- 1.MSME Incubation center
- 2.Pangea Incubation Unit
- 3.Xplore Incubation Unit
- 4.BEENFIELD Incubation Unit
- 5.EDIFY PATH Incubation Unit.

3.4 - Extension Activities

3.4.1 - Extension activities are carried out in the neighborhood community, sensitizing students to social issues, for their holistic development, and impact thereof during the year

St.Martin's Engineering College has following student organizations

The National Service Scheme' Unit of St. Martin's Engineering College organizes Blood donation camp yearly in association with Indian Red Cross Society of Hyderabad and could donate 250-300 Units of Blood. Students could understand the importance of blood donation, coordination skills, inter personal skills and camaraderie with this event.

National Cadet Corps - Boys and Girl students wing of SMEC learns to defend nation from enemy and natural Calamities.

SMEC Street Cause volunteers learn to serve human with charity activities such as Raksha Bandhan, Distribution of clothes, blankets, medicine, books, food and rice bags to the needy people.

Under Swachh Bharat event, Shramdan in various places of SMEC

and Dhulapally village were taken up by different team of students and teachers, promoting mission Swachh Bharat. Due to this event Students could understand the importance of maintaining clean community.

Our Eco Cell organized events 'Distribution of clay idols' on the eve of Ganesh Chathurthi and a Campaign to educate people to avoid plastic bags created awareness among students to use eco friendly products.

Efforts for Establishment of Real Freedom Volunteers students of SMEC visit regularly Government School, Dhulapally, imparting basics of Computer knowledge, creating technical awareness thus improving their communication skills and contributing to Digital India Vision of our honorable Prime Minister.

INFRASTRUCTURE AND LEARNING RESOURCES

4.1 - Physical Facilities

4.1.1 - The Institution has adequate infrastructure and physical facilities for teaching-learning. viz., classrooms, laboratories, computing equipment etc.

SMEC provides adequate facilities as per the regulatory requirements of AICTE and JNTUH. The management has a positive approach towards creation and enhancement of infrastructure of the Institution by allocating funds at the beginning of thefinancial year. The college provides the following facilities.

Infrastructure, ICT classrooms and Laboratories: The Institution is poised on a 17 acre campus with 23968 sq.mts built up area, centrally located in the City of Secunderabad. The institution has excellent infrastructure facilities like 73ICT enabled classrooms, 7 smart classrooms, 17 tutorial halls and 88well

equipped labs.

Seminar Halls: The Institution has six (6) Seminar Halls. These halls are regularly used for conducting seminars at state and national levels.

Auditorium: A spacious auditorium is located in Dr.A.P.J.Abdul Kalam block with a seating capacity of 1300 and equipped with LCD projector, screen and sound system etc.

Computing Equipment: Total number of computers available in college is 1752 following the AICTE norms .

Internet and Wi-Fi 1000 Mbps dedicated broadband and 70 Mbps leased line Internet facilities. The institution is completely Wi-Fi enabled. The campus is under video surveillance with 340 CC cameras.

Hostels

SMEC has hostel facility for boys and girls located in college campus. SMEC boys and girls capacity is 250 each which are constructed seperately.

Paste link for additional information	https://smec.ac.in//Facilities/auditorium Seminarhall

4.1.2 - The Institution has adequate facilities for cultural activities, sports, games (indoor, outdoor), gymnasium, yoga centre etc.

The institution has adequate facilities for quality physical education programmes, which are needed to increase the physical competence, health-related fitness, self-responsibility, and enjoyment.

The following Indoor and Outdoor facilities are available in Campus

Indoor facilities: 1.Chess Boards - 17

2.Caroms Boards-8

- 3.Gym with Imported equipment
- 4. Table Tennis Tables-6
- 5.Yoga Center-1

Outdoor facilities: 1.Cricket -1

- 2.Volley Ball-3
- 3.Synthetic floor Basket Ball court-2
- 4.Hand Ball-1
- 5.Badminton-1
- 6.Throw Ball-1
- 7.Kabaddi-1
- 8.Kho-Kho-1
- 9.Long Jump-1
- 10.Athletic Track-400 meters
- 11.Football-1
- 12. Open Gym-1

Gymnasium:

An exclusive Gymnasium is available for the students and staff at Sports complex. It provides an arena for the body builders and the students who wish to keep their body fit. In the view of pandemic the institution has opened open gym with advanced equipment for the staff and students.

Yoga

An exclusive Yoga facility is provided with a dedicated yoga teacher for training both the students and staff. Practicing yoga creates mental clarity and calmness, increases body awareness, relieves chronic stress patterns, relaxes the mind, centers attention, and sharpens concentration. Since 2015 every year on June 21st, the International Day of Yoga is celebrated,

in which all the students and staff proactively participate. Best performers are rewarded to encourage active participation and promote wide scale participation of various stakeholders.

Infrastructure for Cultural activities:

The College has adequate facilities for cultural activities

- 1.Auditorium.
- 2. Amphitheatre & Hippodrome
- 3. Vivekananda seminar hall

4.2 - Library as a Learning Resource

4.2.1 - Library is automated using Integrated Library Management System (ILMS)

Integrated Library Management System (ILMS) is an application Software that comprises the procedures and Instructions which enable computer systems to do what the user requires.

The following software versions are being used by SMEC:

New Gen Lib Version 3.0.2: 2007 to till May 2018.

SMEC ILMS Version-6.1: May 2018 to till date

SMEC ILMS:

SMEC ILMS is In house developed software developed by our internal staff members, which is linked to kiosks Automated machine which helps to issue & return the books.

SMEC ILMS provides acquisition, cataloguing, circulation, and serial control modules.

Circulation module consists of books issue, return, and reserve options.

OPAC Module: Library collection can be browsed / searched on Intranet.

Digital Library

The library is automated using advanced computer systems. The Digital Library is provided with HP Prolient - 330G6 with 2TB storage.

4.3 - IT Infrastructure

- 4.3.1 Institution frequently updates its IT facilities including Wi-Fi
- St. Marin's Engineering College yearly upgrades the IT infrastructure by replacing the old computers and peripherals depending upon the requirements as per the norms.

Frequency of Update:

- A. Y. 2021-22: 958new computers of Lenova Think Center 12th Generation computers were purchased
- A.Y. 2020-21: 350 new computers of Dell Vostro3268 11th Generation computers were purchased
- A.Y. 2019-20: 276 new computers of Dell Vostro3268 7th Generation computers were purchased
- A.Y. 2018-19: 180 new computers of Dell Vostro3268 7th Generation computers were purchased
- A.Y. 2017-18: 100 new computers of Dell Vostro3268 7th Generation computers were purchased and updated, according to university curriculum.

The total numbers of computers presently available are 1752. All these computers are connected to LAN.

Internet & Wifi

The Campus is provided with 1000 Mbps broadband high-speed internet and the leased line provides 70 Mbps speed.

In A Y 2021-22the wi-fi facility is made available to each corner of the organisation with optimum speed.

The college has more than 20 Wi-Fi hotspots with extenders provided to cover the wireless range throughout the college.

Extensive use of ICT resources including development and use of computer-aided teaching/learning materials by its staff and students is ensured in the College. The sonic Firewall has been deployed for handling enhanced load on network and applications, catering to academic and administrative processes, thereby providing a secure campus network. The college provides advance library web broadband office for the arrangement for the use of ICT resources.

4.4.2 - There are established systems and procedures for maintaining and utilizing physical, academic and support facilities - laboratory, library, sports complex, computers, classrooms etc.

In SMEC all the Departments and various functioning units of the college are provided with the required infrastructure facilities like class rooms, faculty rooms, girls waiting halls, laboratories etc.

LABORATORY

The laboratories in the college are furnished according to the prescribed statutory rules. Necessary equipment and material is procured to deliver to the students the best standards of education.

Utilization

With respect to the time table, the students conduct experiments in their assigned labs with assistance and supervision of the lab-in-charges and lab technicians.

CLASSROOM

A conductive environment plays a pivotal role in the performance of students. Therefore, it becomes extremely necessary to provide them with ananbience that is, comfortable, peaceful and spacious. The college takes necessary steps to make this possible.

Utilization

Before the commencement of the academic year, based on the intake of students, heads of departments propound the requirement of classrooms to the Principal. The classroom allocation is done by the HOD in the concerned department building.

SPORTS

A sports committee is created to handle the concerns and issues related to sports. This committee consists of students along with the concerned faculty.

Utilization

Students are permitted to play only during the sports hours and after college hours, to practice for any competition. Separate bus facility is provided for the students who practice after college hours.

LIBRARY

Procurement of learning resources:

The librarian recommends the list of learning resources to be procured and these are utilised by the students.

5.3.2 - Institution facilitates students' representation and engagement in various administrative, co-curricular and extracurricular activities (student council/ students representation on various bodies as per established processes and norms)

The student council is named as Sensational Engineering Student Association (SESA), which consists of advanced learners from each Department. The students are included in SESA on selection basis.

The roles and responsibilities of student council in academic and administrative bodies are:

- 1.To express their opinion to the administrative bodies of the Institution.
- 2. To promote and encourage the involvement of studentsorganizing College activities.
- 3.To consult students on any issue of importance.
- 4.To propose activities to the college administration that would improve the quality of life in the college.

- 5.To actively involve in extra-curricular activities like Plantation, Swachh Bharat mission, Sports and Cultural events.
- The institution has 22 academic and administrative Committees in which student Council is involved:
- 1. Grievances and Redressal Committee (Students).
- 2.SC/ST Committee (Equal Opportunities Committee).
- 3.Placement and Training Committee.
- 4.NSS and Medical Facilities Committee.
- 5. Library and Professional Societies Committee.

5.4 - Alumni Engagement

5.4.1 - There is a registered Alumni Association that contributes significantly to the development of the institution through financial and/or other support services

St. Martin's Engineering College established in the year 2002, has a standing of 20years and has at credit more than 1700alumni as its proud ambassadors. These ambassadors participate in nation building in various domains. The Alumni of SMEC, who are chiselled as per the Vision and Mission of the Institution are a great contribution to the society. SMEC hasAlumni Association of the College called 'DISHA' was functional since 2008. However the Association has been registered with '1684 of 2018' registration number in the year 2018.

The 'Alumni Meet' is conducted twice in a year, where the alumni from all the Departments gather under one roof .The alumni students share all their experiences from campus life to career life, the various efforts involved in attaining a professional life. The meet will be almost an interactive session. Successful entrepreneurs, professionals and project team leaders from the alumni are invited to talk on their success stories. The employees with foreign MNCs from alumni also respond to this great occasion and bring glory to the alumni meet with their multi talented skills through telephone conference. The alumni also assist the final year students of various streams of engineering to get their project placements and summer internship in their companies. This is the probable way, the regular alumni association meetings pave the way for the successful placements of the students.

GOVERNANCE, LEADERSHIP AND MANAGEMENT

6.1 - Institutional Vision and Leadership

6.1.1 - The governance of the institution is reflective of and in tune with the vision and mission of the institution

The Principal is the Academic and Administrative Head of the Institution. He is assisted by Deans, Heads of the Departments, Accounts Officers, and Conveners of various Institute level Committees. There are 56Committees direct the day-to-day functioning of the Institute include: Governing Body, Head of the Departments, Internal Quality Assurance Cell (IQAC), Admissions Cell , Examinations and Evaluation (EE), Research & Development Cell (R&D) andTraining and Placement (T&P) Cell etc.

Recurring requirements of Departments are identified by the Heads of the respective Departments, which are presented to the Principal .The identified requirements are presented to the Governing Body by the Principal and approvals are

obtained. Students and alumni members are also involved in certain Committees including the IQAC so that their views are also considered in governance. Thus, all stakeholders of the Institute are involved at various levels in assessing actual needs, budgetary requirements, academic standards and policymaking, progression in innovation andresearch. The Principal subsequently drives the resulting policy, strategy, resource allocation, andoperations through the Governing body.

QUALITY POLICY

The Quality policy aims at making St Martin' Engineering College along with its Management Institute to be one of the best institutes within the state through continual improvement of its scholastic ability and effectiveness of the quality management system. Thus the Governance of the institution is indicative of an effective leadership and provides opportunity for stakeholder participation. The governance is transparent, objective, enabling and in tune with the visionand mission of the institution.

File Description	Documents
Paste link for additional information	https://smec.ac.in//Aboutus/visionmission
Upload any additional information	No File Uploaded

6.1.2 - The effective leadership is visible in various institutional practices such as decentralization and participative management.

The institution has decentralized and transparent mechanism in management, administration, financial andacademic affairs. The institution believes in delegating appropriate responsibilities from the top levelmanagement to low level and allows the top management to focus on policy making and major decisions.

The Governing Body constitutes the members of the Management, Representative from JNTUH, Principal and two senior most faculties. The Governing Body has the Principal as the membersecretary besides Dean Academics, Research , Academic & Administrative committees and IQAC who also participate inthe highest decision making body of the institution. The Principal, who is part of the Governing Body participates along with management & faculty member in the Governing Body. The Faculties of the college are the conveners of 56 committees along with the

student representatives, parents and alumni thus all the stakeholders participate in the governance of the institution. Besides, decentralization is ensured through the approvals provided by the Governing Body to the Perspective Plan and the Budget. Once the approvals are given, the Heads of the Department are free totake all decisions related to governance, academics, evaluation etc. The IQAC of the College plays a pivotal role in quality assurance, sustenance and enhancement through visioning and deployment besides review for quality assurance. The decentralized mechanism exists even at the department levels. Decisions at department levels are taken by well-structured committees.

6.2 - Strategy Development and Deployment

6.2.1 - The institutional Strategic/perspective plan is effectively deployed

The College has a Long term Strategic Perspective Plan as well Annual Strategic Perspective Plan for continuous improvement and move towards the realization of its vision, mission and core values.

The Long term Goals:

- 1.To strengthen the teaching -learning process.
- 2.To promote "Swacch Martins' further.
- 3.Center of excellence in Engineering and technology
- 4.Strengthening of academic and R &D programmes in collaboration with reputed Universities and industry
- 5.To attain NAAC accreditation with A++
- 6. To achieve the university status.

Medium Term Goals:

1.To improve Industry Institute Interactions

- 2.To encourage faculty to publish technical papers in reputed journals.
- 3. To encourage Students to take part in national / International Conferences and publish their Research work

Short Term Goals:

- 1.To enable automation of the administrative and academic sections.
- 2.To save power.
- 3, To modernize class rooms and laboratories.
- 4. To modernize laboratories.

At the beginning of every academic year, the principal mandates the IQAC to brainstorm and prepare the SPP. The IQAC in turn asks all the Heads and Conveners of 56 Clubs/Cells and Associations to prepare their respective Perspective Plan in sync with strategy and in turn sync it with the University Calendar of events every year.

6.2.2 - The functioning of the institutional bodies is effective and efficient as visible from policies, administrative setup, appointment and service rules, procedures, etc.

The organization has a well-structured administrative setup with Governing Body as the highest decision making body and 56 other functional bodies and committees.

The apex body of the Organogram is the governing body, which is financial, administrative and quality systems policy making body under which the entire college functions are being organized and controlled. The Chairman, Executive Director and Principal are

Page 59/147 18-01-2023 12:51:26

thefunctionaries who take the responsibility of implementing the policy decision of the governing body. The Principal has the executive powers to administer the academic, development, and other functions based on the guidelines prescribed by him. There are different Deans to assist Principal on different admnistrative aspects. There are 10 academic departments directly reporting to the Principal as line management organs. Each department is headed by Departmental Head below whom all laboratories and faculty are functioning.

2. Functions of Various Bodies: To provide policy framework and direction for the functioning of the institution, 56 committees play a vital role. Which evaluate, monitor and recommend in respect of various matters related to Institutional Capacity, Review, Design and Education Effectiveness, Research, Examination and Evaluation etc. forsustaining Institutional Capacity and Educational Effectiveness.

The Grievance Redressal Committee of the SMEC is established with an aim to provide easy and readily accessible procedure for prompt disposal of the day to day genuine grievances of the student and faculty community to maintain a congenial atmosphere.

6.3 - Faculty Empowerment Strategies

6.3.1 - The institution has effective welfare measures for teaching and non-teaching staff

St Martin's Engineering College undoubtedly considers that the teaching and staff play a key role in the growth of the institute and therefore providing welfare measures and services at the workplace becomes vital to provide continuous improvements.

Welfare measures for teaching and non teaching staff:

Group Insurance: Employees are covered under Accident Insurance.

Maternity leaves: Maternity leave for three months is given to female staff.

Medical leaves: Medical leaves are sanctioned for the required staff.

Loans: Laptop loans are provided for both Teaching and nonteaching faculty.

Gifts: Gifts and mementoes during Teachers' Day celebrations are given Sponsorship for higher studies:

Faculty members, if opting for higher studies, leading to enhancement of quality, are sponsored either in terms of finance or in terms of leaves Finance for health care: Financial assistance is provided on emergency medical grounds for staff.

Financial support for the Supporting for of the children of the teachers in the group institutions

Publication Incentives: For participation in the National or International Conferences and for publishing research papers in the National or International Journals, its registration fees and the cost for the participation are given. Publication in is encouraged through prize money.

Sponsorship for knowledge up-gradation: Faculty members are sponsored for attending STTP, workshops, seminar, and conferences for up-grading their knowledge

Promotion: Faculty members, based on the qualification, services, and outcome of the performance appraisal, are given promotion on to the higher post or financial benefits.

6.3.5 - Institutions Performance Appraisal System for teaching and non-teaching staff

The Institution has a formal "Performance Based Appraisal System" as per UGC regulation 2010, for both Teacing and Non-Teaching staff conducted every year. The faculties are required

to submit the filled in proof self-appraisal. Based on the Annual appraisal the teaching and non-teaching staff are given increments and promotions in their respective cadre. Non-Teaching staff are also assessed based on their work achievements, qualification enhancement and adaptability towards the technological changes.

The following factors are deeply analyzed in the appraisal system for teaching and non teaching staff

Experience (Teaching Industry)

Activities and contribution made in academic and Innovative teaching practices

Research

Active participation in team work

Work Discipline

Faculty members are asked to fill the appraisal form and submit to the HOD.

Faculty who have madein the parameters are selected for the Best Teacher awards. They are felicitated on the occasion of Teachers day with Memento andcertificates.

The Appraisal format has two parts

Part-A Academic experience and Result, R&D Activities, Discipline, Feedback, Contribution) carries 70 points to be self appraised and verified by HOD

Part-BCommunication, Decision making dependability Intiattives, Judgment, Planning, Problemsoving, ProductivityQuality and Student Focus,

Team work carries 100 points to be appraised by HOD on personal attributes. It has some negative points for LOP and memos if received any. Appraisal by HR has 10 points and it is confidential. The total to be calculated and readjusted for 50% towards each section to arrive at the total evaluation percentage the individual faculty

6.4 - Financial Management and Resource Mobilization

6.4.1 - Institution conducts internal and external financial audits regularly Enumerate the various internal and external financial audits carried out during the year with the mechanism for settling audit objections within a maximum of 200 words

SMEC Strictly believes in following all statutory requirements for all audit and accounting practices. The objective of conducting Internal and External audit is to locate discrepancies in the accounting process. The institution conducts internal and external financial audits regularly. To monitor the auditor the institute has the Finanance Commitee which coordinates the audit and submit the report to the Governing Body.

As part of this mechanism, the institution has inhouse team consisting of two persons for carrying out the internal audit. The team conducts internal audit on regular basis and submits the report to the Convenor of Finance Committee. The CConvenor of Finance Committee attends to the major audit queries raised by the team and takes appropriate steps for remedial action.

The institution also has external audit mechanism carried out by M/s REDDY & KUMAR, Chartered Accountants having standing of 35 years. As a part of the mechanism, queries will be raised which are put before the Convenor of Finance Committee. After due clarifications & rectifications, the accounts will befinalised accordingly. The external audit is conducted once in a year.

Audited financial statements including Income and Expenditure details, Audited Reports are prepared by aqualified External Auditors who are certified Chartered Accountants and then thesame is filed in the Income-Tax Department.

6.4.3 - Institutional strategies for mobilization of funds and the optimal utilization of resources

Most of the funds required by the institution are being met out of internal generation from fees collected. The institution as its policy has a panel of external agencies for obtaining term loans required for any capital expenditure or working capital finance.

The Telangana govt regulates fee to be collected from the students for the colleges are fixed by Telangana Admission and Fee Regulatory Committee (TAFRC). The tuition fee fixed for the college depends on theinfrastructure available, the faculty strength, sanctioned students strength by AICTE and JNTUH for individual branches.

The Tuition fees are collected annually. In order to meet revenue expenditure, the financial needs are metthrough short term loans from the panel of identified agencies like Banks and Financial corporations. Theother sources of income are:

1.Transport fees collected from students.

- 2.Admission fees.
- 3.Application Fees.
- 4.NBA Fees.
- 5.Examination Fees.
- 6. Hostel Fees
- 7. Revenue generated from Consutancy Projects
- 8. Revenue generated from Funding Projects
- 9. Revenue generated from Conferences, Workshops, FDPs, Seminars.
- 10.TCS-ION:
- 11. MSME Business Incubation.

Strategies for optimal utilization of financial resources:

The college also rents its premises, auditoriums, playgrounds for activities like short film shooting, feature film shooting, sports meet, audio & video releases of films. Our hostels are also used to accommodate students who come toattend sports meet and Conferences. The Sports Bodies pay rent for utilising our hostel facilities.

6.5 - Internal Quality Assurance System

6.5.1 - Internal Quality Assurance Cell (IQAC) has contributed significantly for institutionalizing the quality assurance strategies and processes

Internal Quality Assurance Cell (IQAC) of the SMEC is committed to providing quality in all the domains of the campus life. It draws strategies for quality achievement, substances, and enhancement. IQAC has evolved various procedures for meeting the requirements. It draws strategies through Curricular Aspects,

Teaching learning process, Research practice, Community engagement, HR Management, Industry Interaction, placements, Infrastructure Facilities, Learning Resources, Student Support Progression, Governance, Leadership & Management operations activities. IQAC has mechanisms for ensuring implementation of all the policies, review and evaluation.

IQAC formulated strategies and processes for achieving quality objectives. Some of the strategies are:

Ensuring completion of syllabus coverage.

Curriculum planning and implementation.

Conducting academic audit for improving the quality of course file.

Focusing special attention on slow learners and advanced learners.

Ensuring students participation in extracurricular activities.

Ensuring overall development for students and make them as successful persons in employment, entrepreneurship and higher studies.

Establishment of incubation centers.

Promoting In house research projects.

IQAC meets thrice ina year to discuss various issues related acemdic curriculum, planning, academic audit, rankings and apporvals, achievements of faculty and students, research activities, extension activities etc.

6.5.2 - The institution reviews its teaching learning process, structures & methodologies of

Page 68/147 18-01-2023 12:51:26

operations and learning outcomes at periodic intervals through IQAC set up as per norms and recorded the incremental improvement in various activities

Internal Quality Assurance Cell (IQAC)in SMEC has a main function to look into the transparency in teaching learning process. The cell has initially studied the prevailing processes and the profiles of the faculty along with their experience and expertise intheir relevant subjects. The relevant outcome of the internal discussions of IQAC is circulated from time to time to all the stakeholders to incorporate the modification suggested by the IQAC. According to autonomous examination pattern, the students are evaluated only twice in a semester. The IQAC suggested weekly tests and prefinal exam for the improvement of students.

REVIEW BY IQAC ON TEACHING - LEARNING PROCESS

Institution will follow the evaluation process and internal assessment. Instituteconduct formative assessment and summative assessment. Formative assessment includes group discussions, quiz session etc. Summative assessment includes internal examinations, external examinations and practical examinations. In the internal assessment process, instittueconduct the internal examinations for theory and lab topics to check the performance of the students. The final year students are allowed to develop projects. There is a Grievance and Redressal cell for students, in which they can express their grievances like recounting, re-evaluation, etc. Institution follows the academic calendar given by the university. According to that, examinations will be conducted and course perspective plan are prepared to complete the syllabus. Institute prepare institution calendar to conduct the activities to the students like quest lectures, workshops, etc.

INSTITUTIONAL VALUES AND BEST PRACTICES

7.1 - Institutional Values and Social Responsibilities

7.1.1 - Measures initiated by the Institution for the promotion of gender equity during the year

St. Martin's Engineering College initiated good number of measures for Gender Equity. SMEC approximately has 30% of female staff and 46% female students. Women faculties are also provided with an opportunity to lead the departments as heads of the department and are given coordinator ship for several activities. Female students are encouraged to take part in all activities and to lead co-curricular and extracurricular activities. Students of the institution used to be sensitized on Gender - Equity through webinars, seminars and counseling and guidance sessions. The Institute celebrates "Women's" Day annually and motivates all the staff to organize discussions for understanding the role of women towards a progressive society. Female students are motivated and supported for various academic and non-academic activities.

Safety and Security:

Precautions have been taken during transport, in the campus, canteen, library, sports area to monitor the movement of

students and ensure safety of the students.

Personal and Mentor counseling:

Mentoring/counseling is regarded righteous because the college consider the value of the students and perfecting their character .The college considers and wants the perspective of its valued customers the students on a variety of life challenges(both small and large; personal and formal).Mentoring /counseling is intended to be a long term relationships, with its privileged students.

- 7.1.3 Describe the facilities in the Institution for the management of the following types of degradable and non-degradable waste (within 200 words) Solid waste management Liquid waste management Biomedical waste management E-waste management Waste recycling system Hazardous chemicals and radioactive waste management
- St. Martin's Engineering College Management ishighly interested to maintain the campus as eco- friendly and energy conservative. Separate team is appointed for gardening, make the campus smoke free and clean environment. The Campus has about 258 trees and more than 487 small plants in 17 acres and a well-maintained lawn. Various environment friendly factors such as Water, Air &

Noise, Land, Parking, Flora & Fauna, Socio Economic, Nursery, Solar Systems contribute in making an eco-friendly campus.

SMEC has removed hazardous waste materials like plastic, polythene and broken glasses are disposed properly to prevent the harmful effects on people and environment. Use of polythene and plastic is strictly prohibited at canteen and college premises.

At SMEC, the liquid waste management is practiced through the following ways successfully. The liquid waste from individual blocks is collected at sewage points of the concerned blocks and collected waste water take by the RRC People and transpotation provided on alternative days.

At SMEC, the E-waste is collected through arranging bins at fixed points in the individual blocks and the collected E-waste is sent to RRC. RRC will organize sorting of the E-waste into different categories and bailing appropriate disposal. RRC shall coordinate with ITC and undertake necessary measures for the dispatch of E-Waste.

SMEC also has Food Management System. The food waste is collected and composed in a Kwik Composter machine. The composed waste is disposed carefully. Also SMEC follow methods like Reduce, Recycle and Resuse related to Food waste.

7.1.8 - Describe the Institutional efforts/initiatives in providing an inclusive environment i.e., tolerance and harmony towards cultural, regional, linguistic, communal socioeconomic and other diversities (within 200 words).

The institution has made efforts to provide an inclusive atmosphere that encourages peace, tolerance and harmony among students and faculty. In order to ensure holistic development of students and staff, the institution encourages them to involve

Page 74/147 18-01-2023 12:51:26

in community services to develop good citizenship.

The institution is increasingly involved in conducting the outreach programs for the welfare of the society and to create awareness among students towards social issues The staff and students belong to different communities like Hindus, Muslims, Christians etc. being their mother tongues different like Tamil, Telugu, Bengali, Hindi etc.

Yoga, guided meditation sessions, seminars on human values are organized every semester to create coherent environment and respect for individual. To promote cultural and regional heritage with diversity SMEC arranges cultural programmes like traditional day and batukamma. SMEC FEST (JANKAR) is the annual festival conducted every year where students are exposed to various dance forms, different instrumental music and poetry.

Transparent governance with clearly laid own procedures and Practices is paving ways for the inclusive environment in the College. Faculty working in the college, who belong to various parts of the country and different religions, are the indicators of the inclusive environment. Students will be guided, motivated and groomed independent of their region, religion etc. Every student will have equal opportunity to be part of the cocurricular and extra-curricular activities and taking leadership in the events organized in SMEC.

7.1.9 - Sensitization of students and employees of the Institution to the constitutional obligations: values, rights, duties and responsibilities of citizens

The employees and students of SMEC are provided with awareness on constitutional provisions by conducting seminars and workshops by Advocates, Judges periodically. During the Induction Programme, Sessions were conducted on constitution. One course is designed on values, rights, duties andresponsibilities of citizens and offered in the curriculum as a credit course. Constitutuion of India (COI) and Professional Ethics subjects are included in the curriculum.

More than 50 number of NSS activities is conducted in 2021-22for sensitizing the public on social issues, inculcating the habit of social service among students. Students and staff used to extend financial help to the affected people in case of natural calamities.

Students are given encouragement and support to develop and provide technical solutions to local Villages and entrepreneurs, students developed equipment's, tools and solutions to support local formers, Poultry formers and Weavers in enhancing productivity of their concerns. Students are conducting Blood Donation Camps, Digital literacy Programmes.

7.1.11 - Institution celebrates / organizes national and international commemorative days, events and festivals

Independence Day:

The Independence Day celebrates every year on 15th August in front of M.G. Block. Our beloved Chairman Shri Laxman Reddy was the chief guest to the programme.

Teacher's Day:

Teachers' Day is celebrated every year on 5th September. The programme was held at Swami Vivekananda seminar hall. The programme was graced by the Chairman Shri Laxman Reddy as the chief guest.

Engineer's Day:

Engineer's Day is celebrated every year on 15th September. It was an apt event celebrated by young future Engineers.Our Chairman, Shri. M. Laxman Reddy and Executive Director were invited as the chief guest.

Gandhi Jayanti: Gandhi Jayanti is celebrated every year on 1st October, in a day advance as 2nd October was a holiday. Executive Director, Shri G. Chandra Shekar Yadav was the guest of honour.

International women's day:

International Women's Day is a global day on Mrch 8th celebrating the social, economic, cultural and political achievements of women. The day also marks a call to action for

accelerating gender parity.

Republic Day:

Republic Day is celebrated every year on 26th January. Our Chairman hoisted The flag and made a speech on the occasion. Following this, The Principal and a few faculty members made speeches on the importance of Republic Day Celebrations as a national festival.

7.2 - Best Practices

7.2.1 - Describe two best practices successfully implemented by the Institution as per NAAC format provided in the Manual.

BEST PRACTICE I

Title of the Practice: An Integration of Innovations, Enlightening Technical Skills to Manifest into Career Building: A Hub of Technology for Prosperity.

Objectives of the Practice

- a) To enlighten skills and bring awareness about latest technologies, industry requirements and overallpersonality development.
- b) To help in Career Visioning and Nourish the Designing and Innovative skills, paving way towardscareer in core companies.
- c) To gain a competitive advantage by developing technicalskill sets that is in demand.
- d) To meet the demand for Business entrepreneurs, Innovators,

Creative thinkers to Society where data is central to Research, Teaching and Business.

e) To influence contacts with industry and improve interdisciplinary training of technical skillscollaborate with training companies for domain-specific employability.

BEST PRACTICE II

Title of the practice: In grain Discipline, Human Interaction and Universal Values among the students through Community Orientation Activities.

Objectives of the Practices:

- a) To model a new student orientation program that builds foundation for development of communitylearning
- b) To create an atmosphere that minimizes anxiety, promotes positive attitudes, and stimulatescuriosity for learning
- c) To emphasize importance of being involved in community orientation programs and taking responsibility for growth and humanity development

7.3 - Institutional Distinctiveness

7.3.1 - Portray the performance of the Institution in one area distinctive to its priority and thrust within 200 words

Institutional Distinctiveness:

EFFECTIVE PLACEMENTS FOR CAREER BUILDING OBJECTIVES

a) The goal of Training Placement cell is to provide students with a platform for utilizing their potential to gain valuable experience through working for Industry.

- b) It also acts as the Interface among various companies seeking talented young graduates from various disciplines.
- c) To place students in Prospective IT Core companies.
- d) To help the students developing a passion to win with a global mindset.
- e) To assist students developing their academic and career interests, and their short as well as long-term goals through individual counselling and group sessions.
- f) Maintaining and updating the database of students, maintaining database of companies and establishing strategic links for campus recruitments.

EVIDENCE OF SUCCESS

The College has a record of 100% placements and the students of the college arebeing placed in top MNCs and IT giants all over the country. The college has celebrated "Placement Day' on 03-06-2022, first ever event in the state of Telangana where all the placed students are given their offer letters in the presence of thier parents.

Part B

CURRICULAR ASPECTS

1.1 - Curricular Planning and Implementation

1.1.1 - The Institution ensures effective curriculum delivery through a well planned and documented process

SMEC has effective procedure for the curriculum delivery. Before handling any subject, the faculty prepares the course file and verified by the subject expert and then HODs verification. The verified course file will be approved by Academic audit committee (AAC) member and Dean of Academics. At the final level the principal attest the course file. The college has the practice of preparing session planning, clearly defined program outcomes, program specific outcomes and course outcomes which are mapped so as to evaluate the students in terms of attainment of Graduate attributes and Learning Outcomes which are incorporated in course file. The course file contains 20 parameters session planner, lecture notes, assignment questions, Previous year question papers, time table, target for the result, weak student lists, CO PO mapping and attainments etc. The most important parameter isthe pre delivery talk. in whichthe faculty has to attend a predelivery session infornt of the HOD and senior faculty panel of the concenred department before handling the first class. On the approval of the HOD, the faculty can handle the concerned subject for that particular semester.

File Description	Documents
Upload relevant supporting document	No File Uploaded
Link for Additional information	<u>NA</u>

1.1.2 - The institution adheres to the academic calendar including for the conduct of Continuous Internal Evaluation (CIE)

SMEC has a very robust process for the preparation and adherence of the Academic calendar. The institution prepares the academic calendar every year in advance. The coverage of the academic calendar covers the list of examination dates, seminars, conferences, guest lectures, workshops and industrial visits holidays, vacation dates, festivals, etc. The academic calendar provides the total effective working

days available in a given semester. Then based on the calendar, the HOD's in consultation with the Principal prepare the timetable by correlating the working days available and coverage of the curriculum of the subjects. Thus the academic calendar monitors the effective delivery of the program with academic inputs. The calendar is made available to the students before the commencement of classwork. The academic calendar is displayed on all the department notice boards and is made available on the website. The academic activities within the institution are strictly adhering to the calendar events. All the examinations are being conducted as per the Academic Calendar.

1.3 - Curriculum Enrichment

1.3.1 - Institution integrates crosscutting issues relevant to Professional Ethics, Gender,

Human Values, Environment and Sustainability into the Curriculum

In order to combine the cross-cutting issues like gender sensitization, Environment Sustainability, Human Values and Professional Ethics, at SMEC, students are nurtured to develop other attributes, like gender equity and sustainability at academics.

Gender Sensitization:

The institution has a responsibility to build gender sensitivity among the students and staff. The value of gender equity needs to be integrated in the learning process through curriculum.

Environment Sustainability:

At SMEC, awareness programs are initiated by NSS with extensively carried out activities to support environmental protection and ecological preservation. Eco Club conducts Awareness programs such as 'say no to plastic', 'walk more drive less' and 'save earth'.

Human Values and Professional Ethics:

We are undoubtedly living in a developed world. Modern technologies are affecting human values and professional ethics. Subject titled 'Human Values and Professional Ethics' is introduced for B.Tech students, so that they can imbibe and practice human values.

Industrial Property Rights

Intellectual property plays an important role in providing a competitive edge to an organization. The intangible assets of an organization - such as knowhow, inventions, brands, designs and other creative and innovative products - are, today, often more valuable than its physical assets.

2.2 - Catering to Student Diversity

2.2.1 - The institution assesses the learning levels of the students and organizes special Programmes for advanced learners and slow learners

The students are divided into two categories - slow learners and advanced learners. The criterion for categorizing into slow learners and Advanced Learners.

At Entry level, the college organizes a 21-day Induction Program for the new incoming batch students every year. The program helps the students to get familiar with the Institution, curricular and co-curricular activities, facilities, rules and regulations of the University and Institution. A special test is conducted for the first year students after admission and categorized as under: Slow Learners: Less than 20 marks out of 50 marks. Advanced Learners: Above 20 out of 50 marks.

ForII/III/IV Year Students the slow and advanced learners are identified as per the Mid (Internal) exam conducted for the II/III/IV year students, they are categorized as under: Slow Learners: Less than 14 marks out of 25 marks (As per JNTUH) and Less than 16 Marks out of 30 marks (Autonomous) Advanced Learners: Above 14 marks out of 25 marks(As per JNTUH) Above 16 Marks out of 30 marks (Autonomous).

Special programs likeRemedial classes are conducted beyond the college hours (i.e. 3:50 pm to 4:30 pm), Weekly Test /Slip Test Classroom Interactions are conducted for slow leaners. Advanced Learners are encouraged to be members of professional bodies like IEI, IEEE, ISTE, CSI, ACM, IETE, ISTE, SAE, and IWE under which various technical events are

organized Various clubs/Technical associations like STAC, BETA, ECTA, TAIT, and META are formed for conducting various activities.

2.3 - Teaching- Learning Process

2.3.1 - Student centric methods, such as experiential learning, participative learning and problem solving methodologies are used for enhancing learning experiences

The college focuses on imparting technical knowledge which enhances critical thinking and gives scope for creative imagination among students so that when they grow up they become responsible citizen of the country. The Institute follows the student centric methods that are used for enhancing the learning experiences of students to implement Outcome Based Education (OBE) such as Experiential learning Participative learning and Problem solving methodologies.

Experiential Learning:

The students are provided with the following types of learning mechanisms to improve experiential performance Additional Lab Experiments / Content Beyond Syllabus.

Library E-Resources:

Library is committed to providing quality service and an excellent collection of materials to support the mission, goals, educational, and research needs of students, staff, faculty, and administration, users and in support of the

College's diverse curriculum. A Timetable is allocated in Institution academic calendar for the students to access the library during college hours.

Industrial Visits:

Two industrial visits per year are planned to provide industrial exposure and hands on experience with practical implementation on the latest technologies which empower the students to meet the industry requirements.

Student Internships:

Students are also encouraged to undergo internships during academic semester breaks in relevant industries. This allows them to gain practical experience of the technology and environment which enhances their career skills.

Placement Related Learning:

Placement training is important for engineering students to enhance their employability skills and achieve good placement in various Industries.

Technical Activities:

The Institution organizes various technical activities to enhance the learning skills of students

2.3.2 - Teachers use ICT enabled tools for effective teaching-learning process. Write description in maximum of 200 words

ICT is defined as a "diverse set of technological tools and resources used to communicate, and to create, disseminate, store, and manage information.". These technologies include computers, the Internet, broadcasting technologies (radio and television), and telephones. The use of ICT enabled teaching methods added value to teaching and learning, by enhancing the effectiveness of learning. It added a dimension to

learning that was not previously available. After the inception of ICT methods, students found learning in a technology enhanced environment more stimulating and engaging than in a traditional classroom environment. The Institution has 66 ICT enabled classrooms including 7 smart class rooms. The institution implemented the following ICT tools and resources in teaching learning process. All the classrooms are eneabled with LCD Projectors, Laptop with LCD Projectors, Computers, IRIS. The smart classrooms are enabled with smart boards, Youtube videos, Podium wth inbuilt PA systems, Internet connectivity. The smart boards in the smart classrooms are designed in such a way that the faculty can split the board into 4 parts where the faculty can play a video, project PPT and can write the mathematical formulae at one single time. The faculty uses the Swayam and MOOCS courses for teaching the students the content beyond syllabus and additional lab experiments. Apart from these, the institute has Seminar hall and Auditorium of together thousand capacity and with ICT Facilities for conducting Guest Lectures and Workshops. The library has e-learning resources where the student can access various journals for his/her research work.

2.5 - Evaluation Process and Reforms

2.5.1 - Mechanism of internal assessment is transparent and robust in terms of frequency and mode. Write description within 200 words.

The following Mechanisms are adopted and implemented by an examination committee which is constituted at institute level for the internal assessment which is Transparent and robust in terms of frequency and variety.

Mechanism of Summative Assessment

- 1.Internal Assessment is done twice in a semester for the students in terms of theory, practical and Assignments scheduled as per the academic calender.
- 2.Two sets of Question papers are prepared by applying BTL and also mapping the questions with Course outcomes which are submitted to the examination department after the HOD and DAC committee approval.
- 3. The chief superintendent of the examination department can select any one set of question paper and issue the same.
- 4. After Evaluation the answer scripts are given to students after the completion of evaluation for verification of the marks.
- 5. The project works are scheduled into three cateogories, industry oriented mini project, project stage I and project stage II.
- 6.For the Assessment ofprojects, a PRC is formed constituting HOD, Project Coordinator and two senior faculty members and a PRC meet is conducted to finalize the project proposals and guides are allotted as per the project domain.

- 7. The project assessment is doneby conducting four PRC meets at different phases such as Analysis, Design, Implementation & Deployment to meet the requirements and the same are displayed on the notice board after every PRC meet.
- 8. Comprehensive viva-voce for the projects is assessed by the external examiner.

	<u>tions/examinations</u>

2.5.2 - Mechanism to deal with internal examination related grievances is transparent, timebound and efficient

Mechanism to deal with examination related grievances is transparent, time-bound and efficient:

At the Institute level, an examination related Grievance Committee is constituted, with a senior teacher as convener and other teaching staff as members to handle the examination related grievances in transparent, time-bound and efficient student grievances with respect to the evaluation.

Redressal of Grievances levels are as follows:

The examination branch of the college is a confidential section with the responsibility of smooth conduct of examinations for all the courses and maintenance of student records. Conduction of all examinations is the main activity cell. The Controller of Examinations coordinates with the Principal in regards to all examination matters.

- 1. Students should be aware of the time tables for academics, internal examinations and general instructions.
- 2. The above said grievances are addressed by communicating to all the students of various departments and faculty members through college notice board one week before the commencement.
- 3. After the evaluation, students are allowed to verify their answer scripts to know their performance in the test.

4. If any grievances, the students are allowed to bring in to the notice of respective faculty members as well as HOD and can be resolved within 2 days which reflects the transparency and time bound mechanism adopted in the system of assessment.

2.6 - Student Performance and Learning Outcomes

2.6.1 - Programme and course outcomes for all Programmes offered by the institution are stated and displayed on website and communicated to teachers and students.

Preparation and Dissemination of Program Outcomes, Program Specific Outcomes and Course Outcomes

- 1.Outcome Based Education (OBE) is implemented in St.Martin's Engineering College (SMEC) to give emphasis on what is expected from the students when they finish their course in the form of Course Outcomes
- 2.In line with Course Outcomes, Program Specific Outcomes (PSOs) and Program Outcomes (POs) are then attained to measure the performance of the students
- 3.A set of Program Outcomes are given by the NBAto be followed by all the institutions
- 4. Keeping all the Program Outcomes in mind every department prepares its Program Specific Outcomes
- 5.Based on the Program Outcomes and Program Specific Outcomes, the faculty of all departments then prepares the Course Outcomes for all the courses offered.

Mechanism for Communicating Program Outcomes, Program Specific Outcomes and Course Outcomes to Teachers and Students

1.Every Department of the Institution publishes its Program Specific Outcomes (PSOs) along with the Program Outcomes (POs) given by AICTE and Course Outcomes (COs) of all its

courses in the college website (SMEC-Educational Objectives &Outcomes).

- 2.POs and PSOs are displayed in Staff rooms, Offices of Heads of Departments , all the classrooms, corridors and laboratories
- 3.CO is displayed in display boards of laboratories and students are made to write the COs in their class notebooks of the respective course.
- 4.Program Outcomes (POs) and Program specific Outcomes (PSOs) are discussed in student induction program, to get clear idea of what they are going to learn

File Description	Documents

Paste link for Additional information	<u>NA</u>
Upload COs for all Programmes (exemplars from Glossary)	<u>View File</u>

2.6.2 - Attainment of Programme outcomes and course outcomes are evaluated by the institution.

The procedure for evaluating the attainments of Program Outcomes, Program Specific Outcomes and Course Outcomes

The attainment of Program Outcomes and Program Specific Outcomes is evaluated by taking 80 % of the Direct Assessment and 20 % of the Indirect Assessment. Whereas the Course Outcomes are evaluated based on Direct Assessment only.

Procedure for Attainment through Direct Assessment (80%):

1.A meeting is conducted in the individual departments where faculty are requested to map the relation between the Course Outcomes (COs) and Program Outcomes (POs)/Program Specific Outcomes (PSOs) based on the below given conditions: If the concept of CO is matched

- 2.80% or more with the concept of PO's (or) PSO's, it's mentioned as level 3 (Highly Related)
- 3.In between 60% to 80% with the concept of PO's (or) PSO's, it's mentioned as level 2 (Moderately Related)
- 4.Less than 60% with the concept of PO's (or) PSO's, it's mentioned as level 1 (Slightly Related)
- 5.Direct Assessment Tools:

Internal Assessment (Conducted at Institution Level for 25 marks). University Examination (Conducted at University Level for 75 marks). Internal assessment and University Examination results serve as an input for calculating attainments of all the outcomes.

Procedure for Attainment through Indirect Assessment (20%):

1. This indirect assessment contains feedback from various stakeholders such as alumni, parents, students, faculty and employer along with survey.

The final PO and PSO attainment are calculated by adding 80% of Direct Assessment and 20% of Indirect Assessment.

3.2 - Innovation Ecosystem

3.2.1 - Institution has created an ecosystem for innovations and has initiatives for creation and transfer of knowledge

Innovation Ecosystem:

SMEC Faculty and students nurture innovation ecosystems, to systematically cultivate research environments with following functions and facilities. These functions are facilitated by different organs, Incubation centre, Entrepreneurship Development Cell etc.

Facilities in SMEC

Software used for research CATIA, Hyper works ANSYS.

Metallurgical microscope equipped with microscope camera and metallurgical image analysis software Stand Pro for designing

of building, bridges and roads, CAD, Arc GISKeil software for designing and developing embedded system GNU/JDK 1.8, Netbeans, J2EE, Latex, GNU/Ubuntu Operating Open office, GCC, Filezilla, GNU/Ubuntu Operating System, GCC, Weka, R-language, GNU/Ubuntu Operating System, GCC, Android studio, GNU/Ubuntu Operating System, GCC, Arduino, Raspberry-pi

R& D Cell

The Institute has a dedicated Research and Development Cell. R & D cell functions with its ally Incubation Center, EDC, IPR Cell, and Start-up with departmental labs. The quality of research publications is maintained using Drillbit software.

Entrepreneurship Development Cell

Entrepreneurship Development Cell aims for the overall development of the Entrepreneurial skills and abilities among the student fraternity. Awareness program, Seminars, Skill development program has been organized under the Cell.SMEC students started receiving international awards and funding (4000 USD) from George Mason University Virginia, USA for our best start up.

Incubation Facilties

The institution has different incubation facilities like

- 1.MSME Incubation center
- 2.Pangea Incubation Unit
- 3.Xplore Incubation Unit
- 4.BEENFIELD Incubation Unit
- 5.EDIFY PATH Incubation Unit.

3.4 - Extension Activities

3.4.1 - Extension activities are carried out in the neighborhood community, sensitizing students to social issues, for their holistic development, and impact thereof during the year

St.Martin's Engineering College has following student organizations

The National Service Scheme' Unit of St. Martin's Engineering College organizes Blood donation camp yearly in association with Indian Red Cross Society of Hyderabad and could donate 250-300 Units of Blood. Students could understand the importance of blood donation, coordination skills, interpersonal skills and camaraderie with this event.

National Cadet Corps - Boys and Girl students wing of SMEC learns to defend nation from enemy and natural Calamities.

SMEC Street Cause volunteers learn to serve human with charity activities such as Raksha Bandhan, Distribution of clothes, blankets, medicine, books, food and rice bags to the

needy people.

Under Swachh Bharat event, Shramdan in various places of SMEC and Dhulapally village were taken up by different team of students and teachers, promoting mission Swachh Bharat. Due to this event Students could understand the importance of maintaining clean community.

Our Eco Cell organized events 'Distribution of clay idols' on the eve of Ganesh Chathurthi and a Campaign to educate people to avoid plastic bags created awareness among students to use eco friendly products.

Efforts for Establishment of Real Freedom Volunteers students of SMEC visit regularly Government School, Dhulapally, imparting basics of Computer knowledge, creating technical awareness thus improving their communication skills and contributing to Digital India Vision of our honorable Prime Minister.

INFRASTRUCTURE AND LEARNING RESOURCES

4.1 - Physical Facilities

4.1.1 - The Institution has adequate infrastructure and physical facilities for teaching-learning. viz., classrooms, laboratories, computing equipment etc.

SMEC provides adequate facilities as per the regulatory requirements of AICTE and JNTUH. The management has a positive approach towards creation and enhancement of infrastructure of the Institution by allocating funds at the beginning of thefinancial year. The college provides the following facilities.

Infrastructure, ICT classrooms and Laboratories: The Institution is poised on a 17 acre campus with 23968 sq.mts built up area, centrally located in the City of Secunderabad.

The institution has excellent infrastructure facilities like 73ICT enabled classrooms, 7 smart classrooms, 17 tutorial halls and 88well equipped labs.

Seminar Halls: The Institution has six (6) Seminar Halls. These halls are regularly used for conducting seminars at state and national levels.

Auditorium: A spacious auditorium is located in Dr.A.P.J.Abdul Kalam block with a seating capacity of 1300 and equipped with LCD projector, screen and sound system etc.

Computing Equipment: Total number of computers available in college is 1752 following the AICTE norms .

Internet and Wi-Fi 1000 Mbps dedicated broadband and 70 Mbps leased line Internet facilities. The institution is completely Wi-Fi enabled. The campus is under video surveillance with 340 CC cameras.

Hostels

SMEC has hostel facility for boys and girls located in college campus. SMEC boys and girls capacity is 250 each which are constructed separately.

4.1.2 - The Institution has adequate facilities for cultural activities, sports, games (indoor, outdoor), gymnasium, yoga centre etc.

The institution has adequate facilities for quality physical education programmes, which are needed to increase the physical competence, health-related fitness, self-responsibility, and enjoyment.

The following Indoor and Outdoor facilities are available in Campus

Indoor facilities: 1.Chess Boards - 17

- 2.Caroms Boards-8
- 3.Gym with Imported equipment
- 4. Table Tennis Tables-6
- 5. Yoga Center-1

Outdoor facilities: 1.Cricket -1

- 2.Volley Ball-3
- 3.Synthetic floor Basket Ball court-2
- 4.Hand Ball-1
- 5.Badminton-1
- 6.Throw Ball-1
- 7.Kabaddi-1
- 8.Kho-Kho-1
- 9.Long Jump-1
- 10.Athletic Track-400 meters
- 11.Football-1
- 12. Open Gym-1

Gymnasium:

An exclusive Gymnasium is available for the students and staff at Sports complex. It provides an arena for the body builders and the students who wish to keep their body fit. In the view of pandemic the institution has opened open gym with advanced equipment for the staff and students.

Yoga

An exclusive Yoga facility is provided with a dedicated yoga teacher for training both the students and staff. Practicing yoga creates mental clarity and calmness, increases body awareness, relieves chronic stress patterns, relaxes the

mind, centers attention, and sharpens concentration. Since 2015 every year on June 21st, the International Day of Yoga is celebrated, in which all the students and staff proactively participate. Best performers are rewarded to encourage active participation and promote wide scale participation of various stakeholders.

Infrastructure for Cultural activities:

The College has adequate facilities for cultural activities

- 1.Auditorium.
- 2. Amphitheatre & Hippodrome
- 3. Vivekananda seminar hall

4.2 - Library as a Learning Resource

4.2.1 - Library is automated using Integrated Library Management System (ILMS)

Integrated Library Management System (ILMS) is an application Software that comprises the procedures and Instructions which enable computer systems to do what the user requires.

The following software versions are being used by SMEC:

New Gen Lib Version 3.0.2: 2007 to till May 2018.

SMEC ILMS Version-6.1: May 2018 to till date

SMEC ILMS:

SMEC ILMS is In house developed software developed by our internal staff members, which is linked to kiosks Automated machine which helps to issue & return the books.

SMEC ILMS provides acquisition, cataloguing, circulation, and serial control modules.

Circulation module consists of books issue, return, and reserve options.

OPAC Module: Library collection can be browsed / searched on Intranet.

Digital Library

The library is automated using advanced computer systems. The Digital Library is provided with HP Prolient - 330G6 with 2TB storage.

4.3 - IT Infrastructure

4.3.1 - Institution frequently updates its IT facilities including Wi-Fi

St. Marin's Engineering College yearly upgrades the IT infrastructure by replacing the old computers and peripherals depending upon the requirements as per the norms.

Frequency of Update:

- A. Y. 2021-22: 958new computers of Lenova Think Center 12th Generation computers were purchased
- A.Y. 2020-21: 350 new computers of Dell Vostro3268 11th Generation computers were purchased
- A.Y. 2019-20: 276 new computers of Dell Vostro3268 7th Generation computers were purchased
- A.Y. 2018-19: 180 new computers of Dell Vostro3268 7th Generation computers were purchased
- A.Y. 2017-18: 100 new computers of Dell Vostro3268 7th Generation computers were purchased and updated, according to university curriculum.

The total numbers of computers presently available are 1752. All these computers are connected to LAN.

Internet & Wifi

The Campus is provided with 1000 Mbps broadband high-speed internet and the leased line provides 70 Mbps speed.

In A Y 2021-22the wi-fi facility is made available to each corner of the organisation with optimum speed.

The college has more than 20 Wi-Fi hotspots with extenders provided to cover the wireless range throughout the college.

Extensive use of ICT resources including development and use of computer-aided teaching/learning materials by its staff and students is ensured in the College. The sonic Firewall has been deployed for handling enhanced load on network and applications, catering to academic and administrative processes, thereby providing a secure campus network. The college provides advance library web broadband office for the arrangement for the use of ICT resources.

4.4.2 - There are established systems and procedures for maintaining and utilizing physical, academic and support facilities - laboratory, library, sports complex, computers, classrooms etc.

In SMEC all the Departments and various functioning units of the college are provided with the required infrastructure facilities like class rooms, faculty rooms, girls waiting halls, laboratories etc.

LABORATORY

The laboratories in the college are furnished according to the prescribed statutory rules. Necessary equipment and material is procured to deliver to the students the best standards of education.

Utilization

With respect to the time table, the students conduct experiments in their assigned labs with assistance and supervision of the lab-in-charges and lab technicians.

CLASSROOM

A conductive environment plays a pivotal role in the performance of students. Therefore, it becomes extremely necessary to provide them with ananbience that is, comfortable, peaceful and spacious. The college takes necessary steps to make this possible.

Utilization

Before the commencement of the academic year, based on the intake of students, heads of departments propound the

requirement of classrooms to the Principal. The classroom allocation is done by the HOD in the concerned department building.

SPORTS

A sports committee is created to handle the concerns and issues related to sports. This committee consists of students along with the concerned faculty.

Utilization

Students are permitted to play only during the sports hours and after college hours, to practice for any competition. Separate bus facility is provided for the students who practice after college hours.

LIBRARY

Procurement of learning resources:

The librarian recommends the list of learning resources to be procured and these are utilised by the students.

5.3.2 - Institution facilitates students' representation and engagement in various administrative, co-curricular and extracurricular activities (student council/ students representation on various bodies as per established processes and norms)

The student council is named as Sensational Engineering Student Association (SESA), which consists of advanced learners from each Department. The students are included in SESA on selection basis.

The roles and responsibilities of student council in academic and administrative bodies are:

- 1.To express their opinion to the administrative bodies of the Institution.
- 2. To promote and encourage the involvement of studentsorganizing College activities.
- 3.To consult students on any issue of importance.
- 4.To propose activities to the college administration that would improve the quality of life in the college.
- 5.To actively involve in extra-curricular activities like Plantation, Swachh Bharat mission, Sports and Cultural events.

The institution has 22 academic and administrative Committees in which student Council is involved:

- 1. Grievances and Redressal Committee (Students).
- 2.SC/ST Committee (Equal Opportunities Committee).
- 3. Placement and Training Committee.
- 4.NSS and Medical Facilities Committee.

5.4 - Alumni Engagement

5.4.1 - There is a registered Alumni Association that contributes significantly to the development of the institution through financial and/or other support services

St. Martin's Engineering College established in the year 2002, has a standing of 20years and has at credit more than 1700alumni as its proud ambassadors. These ambassadors participate in nation building in various domains. The Alumni of SMEC, who are chiselled as per the Vision and Mission of the Institution are a great contribution to the society. SMEC hasAlumni Association of the College called 'DISHA' was functional since 2008. However the Association has been registered with '1684 of 2018' registration number in the year 2018.

The 'Alumni Meet' is conducted twice in a year, where the alumni from all the Departments gather under one roof .The alumni students share all their experiences from campus life to career life, the various efforts involved in attaining a professional life. The meet will be almost an interactive session. Successful entrepreneurs, professionals and project team leaders from the alumni are invited to talk on their success stories. The employees with foreign MNCs from alumni also respond to this great occasion and bring glory to the alumni meet with their multi talented skills through telephone conference. The alumni also assist the final year students of various streams of engineering to get their project placements and summer internship in their companies. This is the probable way, the regular alumni association meetings pave the way for the successful placements of the students.

GOVERNANCE, LEADERSHIP AND MANAGEMENT

6.1 - Institutional Vision and Leadership

6.1.1 - The governance of the institution is reflective of and in tune with the vision and mission of the institution

The Principal is the Academic and Administrative Head of the Institution. He is assisted by Deans, Heads of the Departments, Accounts Officers, and Conveners of various Institute level Committees. There are 56Committees direct the day-to-day functioning of the Institute include: Governing Body, Head of the Departments, Internal Quality Assurance Cell (IQAC), Admissions Cell , Examinations and Evaluation (EE), Research & Development Cell (R&D) and Training and Placement (T&P) Cell etc.

Recurring requirements of Departments are identified by the Heads of the respective Departments, which are presented to the Principal .The identified requirements are presented to the Governing Body by the Principal and approvals are obtained. Students and alumni members are also involved in certain Committees including the IQAC so that their views are also considered in governance. Thus, all stakeholders of the Institute are involved at various levels in assessing actual needs, budgetary requirements, academic standards and policymaking, progression in innovation andresearch. The Principal subsequently drives the resulting policy, strategy, resource allocation, and operations through the Governing body.

QUALITY POLICY

The Quality policy aims at making St Martin' Engineering College along with its Management Institute to be one of the best institutes within the state through continual improvement of its scholastic ability and effectiveness of the quality management system. Thus the Governance of the institution is indicative of an effective leadership and provides opportunity forstakeholder participation. The governance is transparent, objective, enabling and in tune with the visionand mission of the institution.

File Description	Documents
Paste link for additional information	https://smec.ac.in//Aboutus/visionmission
Upload any additional information	No File Uploaded

6.1.2 - The effective leadership is visible in various institutional practices such as decentralization and participative management.

The institution has decentralized and transparent mechanism in management, administration, financial andacademic affairs. The institution believes in delegating appropriate responsibilities from the top levelmanagement to low level and allows the top management to focus on policy making and major decisions.

The Governing Body constitutes the members of the Management, Representative from JNTUH, Principal and two senior most faculties. The Governing Body has the Principal as the membersecretary besides Dean Academics, Research , Academic & Administrative committees and IQAC who also participate inthe highest decision making body of the institution. The Principal, who is part of the Governing Body participates along with management & faculty member in the Governing Body. The Faculties of the college are the conveners of 56 committees along with the student representatives, parents and alumni thus all the stakeholders participate in the governance of the institution. Besides, decentralization is ensured through the approvals provided by the Governing Body to the Perspective Plan and the Budget. Once the approvals are given, the Heads of the Department are free totake all decisions related to governance, academics, evaluation etc. The IQAC of the College plays a pivotal role in quality assurance, sustenance and enhancement through visioning and deployment besides review for quality assurance. The decentralized mechanism exists even at the department levels. Decisions at department levels are taken by well-structured committees.

6.2 - Strategy Development and Deployment

6.2.1 - The institutional Strategic/perspective plan is effectively deployed

The College has a Long term Strategic Perspective Plan as well Annual Strategic Perspective Plan for continuous improvement and move towards the realization of its vision,

mission and core values.

The Long term Goals:

- 1.To strengthen the teaching -learning process.
- 2.To promote "Swacch Martins' further.
- 3. Center of excellence in Engineering and technology
- 4. Strengthening of academic and R &D programmes in collaboration with reputed Universities and industry
- 5.To attain NAAC accreditation with A++
- 6. To achieve the university status.

Medium Term Goals:

- 1.To improve Industry Institute Interactions
- 2.To encourage faculty to publish technical papers in reputed journals.
- 3. To encourage Students to take part in national / International Conferences and publish their Research work

Short Term Goals:

- 1.To enable automation of the administrative and academic sections.
- 2.To save power.
- 3, To modernize class rooms and laboratories.
- 4.To modernize laboratories.
- At the beginning of every academic year, the principal mandates the IQAC to brainstorm and prepare the SPP. The IQAC in turn asks all the Heads and Conveners of 56 Clubs/Cells and Associations to prepare their respective Perspective Plan in sync with strategy and in turn sync it with the University Calendar of events every year.

6.2.2 - The functioning of the institutional bodies is effective and efficient as visible from policies, administrative setup, appointment and service rules, procedures, etc.

The organization has a well-structured administrative setup with Governing Body as the highest decision making body and 56 other functional bodies and committees.

The apex body of the Organogram is the governing body, which is financial, administrative and quality systems policy making body under which the entire college functions are being organized and controlled. The Chairman, Executive Director and Principal are thefunctionaries who take the responsibility of implementing the policy decision of the governing body. The Principal has the executive powers to administer the academic, development, and other functions based on the guidelines prescribed by him. There are different Deans to assist Principal on different admnistrative aspects. There are 10 academic departments directly reporting to the Principal as line management organs. Each department is headed by Departmental Head below whom all laboratories and faculty are functioning.

2. Functions of Various Bodies: To provide policy framework and direction for the functioning of the institution, 56 committees play a vital role. Which evaluate, monitor and recommend in respect of various matters related to Institutional Capacity, Review, Design and Education Effectiveness, Research, Examination and Evaluation etc. forsustaining Institutional Capacity and Educational Effectiveness.

The Grievance Redressal Committee of the SMEC is established with an aim to provide easy and readily accessible procedure for prompt disposal of the day to day genuine grievances of the student and faculty community to maintain a congenial

atmosphere.

6.3.5 - Institutions Performance Appraisal System for teaching and non-teaching staff

The Institution has a formal "Performance Based Appraisal System" as per UGC regulation 2010, for both Teacing and Non-Teaching staff conducted every year. The faculties are required to submit the filled in proof self-appraisal.Based on the Annual appraisal the teaching and non-teaching staff are given increments and promotions in their respective cadre.Non-Teaching staff are also assessed based on their work achievements, qualification enhancement and adaptability towards the technological changes.

The following factors are deeply analyzed in the appraisal system for teaching and non teaching staff

Experience (Teaching Industry)

Activities and contribution made in academic and Innovative teaching practices

Research

Active participation in team work

Work Discipline

Faculty members are asked to fill the appraisal form and submit to the HOD.

Faculty who have madein the parameters are selected for the Best Teacher awards. They are felicitated on the occasion of Teachers day with Memento andcertificates.

The Appraisal format has two parts

Part-A Academic experience and Result, R&D Activities, Discipline, Feedback, Contribution) carries 70 points to be self appraised and verified by HOD

Part-BCommunication, Decision making dependability Intiattives, Judgment, Planning, Problemsoving, ProductivityQuality and Student Focus,

Team work carries 100 points to be appraised by HOD on personal attributes. It has some negative points for LOP and memos if received any. Appraisal by HR has 10 points and it is confidential. The total to be calculated and readjusted for 50% towards each section to arrive at the total evaluation percentage the individual faculty

6.4 - Financial Management and Resource Mobilization

6.4.1 - Institution conducts internal and external financial audits regularly Enumerate the various internal and external financial audits carried out during the year with the mechanism for settling audit objections within a maximum of 200 words

SMEC Strictly believes in following all statutory requirements for all audit and accounting practices. The objective of conducting Internal and External audit is to locate discrepancies in the accounting process. The institution conducts internal and external financial audits regularly. To monitor the auditor the institute has the Finanance Committee which coordinates the audit and submit the report to the Governing Body.

As part of this mechanism, the institution has inhouse team consisting of two persons for carrying out the internal audit. The team conducts internal audit on regular basis and submits the report to the Convenor of Finance Committee. The

CConvenor of Finance Committee attends to the major audit queries raised by the team and takes appropriate steps for remedial action.

The institution also has external audit mechanism carried out by M/s REDDY & KUMAR, Chartered Accountants having standing of 35 years. As a part of the mechanism, queries will be raised which are put before the Convenor of Finance Commitee. After due clarifications & rectifications, the accounts will befinalised accordingly. The external audit is conducted once in a year.

Audited financial statements including Income and Expenditure details, Audited Reports are prepared by aqualified External Auditors who are certified Chartered Accountants and then thesame is filed in the Income-Tax Department.

6.4.3 - Institutional strategies for mobilization of funds and the optimal utilization of resources

Most of the funds required by the institution are being met out of internal generation from fees collected. The institution as its policy has a panel of external agencies for obtaining term loans required for any capital expenditure or working capital finance.

The Telangana govt regulates fee to be collected from the students for the colleges are fixed by Telangana Admission and Fee Regulatory Committee (TAFRC). The tuition fee fixed for the college depends on theinfrastructure available, the faculty strength, sanctioned students strength by AICTE and JNTUH for individual branches.

The Tuition fees are collected annually. In order to meet revenue expenditure, the financial needs are metthrough short term loans from the panel of identified agencies like Banks and Financial corporations. Theother sources of income are:

- 1.Transport fees collected from students.
- 2.Admission fees.
- 3.Application Fees.
- 4.NBA Fees.
- 5.Examination Fees.
- 6. Hostel Fees
- 7. Revenue generated from Consutancy Projects
- 8. Revenue generated from Funding Projects
- 9. Revenue generated from Conferences, Workshops, FDPs, Seminars.
- 10.TCS-ION:
- 11. MSME Business Incubation.

Strategies for optimal utilization of financial resources:

The college also rents its premises, auditoriums, playgrounds for activities like short film shooting, feature film shooting, sports meet, audio & video releases of films. Our hostels are also used to accommodate students who come toattend sports meet and Conferences. The Sports Bodies pay rent for utilising our hostel facilities.

6.5 - Internal Quality Assurance System

6.5.1 - Internal Quality Assurance Cell (IQAC) has contributed significantly for institutionalizing the quality assurance strategies and processes

Internal Quality Assurance Cell (IQAC) of the SMEC is committed to providing quality in all the domains of the campus life. It draws strategies for quality achievement, substances, and enhancement. IQAC has evolved various procedures for meeting the requirements. It draws strategies through Curricular Aspects, Teaching learning process, Research practice, Community engagement, HR Management, Industry Interaction, placements, Infrastructure Facilities, Learning Resources, Student Support Progression, Governance, Leadership & Management operations activities. IQAC has mechanisms for ensuring implementation of all the policies, review and evaluation.

IQAC formulated strategies and processes for achieving quality objectives. Some of the strategies are:

Ensuring completion of syllabus coverage.

Curriculum planning and implementation.

Conducting academic audit for improving the quality of course file.

Focusing special attention on slow learners and advanced learners.

Ensuring students participation in extracurricular

activities.

Ensuring overall development for students and make them as successful persons in employment, entrepreneurship and higher studies.

Establishment of incubation centers.

Promoting In house research projects.

IQAC meets thrice ina year to discuss various issues related acemdic curriculum, planning, academic audit, rankings and apporvals, achievements of faculty and students, research activities, extension activities etc.

6.5.2 - The institution reviews its teaching learning process, structures & methodologies of operations and learning outcomes at periodic intervals through IQAC set up as per norms and recorded the incremental improvement in various activities

Internal Quality Assurance Cell (IQAC)in SMEC has a main function to look into the transparency in teaching learning process. The cell has initially studied the prevailing processes and the profiles of the faculty along with their experience and expertise intheir relevant subjects. The relevant outcome of the internal discussions of IQAC is circulated from time to time to all the stakeholders to incorporate the modification suggested by the IQAC. According to autonomous examination pattern, the students are evaluated only twice in a semester. The IQAC suggested weekly tests and prefinal exam for the improvement of students.

REVIEW BY IQAC ON TEACHING - LEARNING PROCESS

Institution will follow the evaluation process and internal assessment. Instituteconduct formative assessment and summative assessment. Formative assessment includes group discussions, quiz session etc. Summative assessment includes

internal examinations, external examinations and practical examinations. In the internal assessment process, instituteconduct the internal examinations for theory and lab topics to check the performance of the students. The final year students are allowed to develop projects. There is a Grievance and Redressal cell for students, in which they can express their grievances like re-counting, re-evaluation, etc. Institution follows the academic calendar given by the university. According to that, examinations will be conducted and course perspective plan are prepared to complete the syllabus. Institute prepare institution calendar to conduct the activities to the students like guest lectures, workshops, etc.

INSTITUTIONAL VALUES AND BEST PRACTICES

7.1 - Institutional Values and Social Responsibilities

7.1.1 - Measures initiated by the Institution for the promotion of gender equity during the year

St. Martin's Engineering College initiated good number of measures for Gender Equity. SMEC approximately has 30% of female staff and 46% female students. Women faculties are also provided with an opportunity to lead the departments as heads of the department and are given coordinator ship for several activities. Female students are encouraged to take part in all activities and to lead co-curricular and extracurricular activities. Students of the institution used to be sensitized on Gender - Equity through webinars, seminars and counseling and guidance sessions. The Institute celebrates "Women's" Day annually and motivates all the staff to organize discussions for understanding the role of women towards a progressive society. Female students are motivated and supported for various academic and non-academic activities.

Safety and Security:

Precautions have been taken during transport, in the campus, canteen, library, sports area to monitor the movement of students and ensure safety of the students.

Personal and Mentor counseling:

Mentoring/counseling is regarded righteous because the college consider the value of the students and perfecting their character . The college considers and wants the

perspective of its valued customers the students on a variety of life challenges(both small and large; personal and formal). Mentoring /counseling is intended to be a long term relationships, with its privileged students.

- 7.1.3 Describe the facilities in the Institution for the management of the following types of degradable and non-degradable waste (within 200 words) Solid waste management Liquid waste management Biomedical waste management E-waste management Waste recycling system Hazardous chemicals and radioactive waste management
- St. Martin's Engineering College Management ishighly interested to maintain the campus as eco- friendly and energy conservative. Separate team is appointed for gardening, make the campus smoke free and clean environment. The Campus has about 258 trees and more than 487 small plants in 17 acres and a well-maintained lawn. Various environment friendly factors such as Water, Air & Noise, Land, Parking, Flora & Fauna, SocioEconomic, Nursery,

SolarSystemscontributeinmakinganeco- friendly campus.

SMEC has removed hazardous waste materials like plastic,

polythene and broken glasses are disposed properly to prevent the harmful effects on people and environment. Use of polythene and plastic is strictly prohibited at canteen and college premises.

At SMEC, the liquid waste management is practiced through the following ways successfully. The liquid waste from individual blocks is collected at sewage points of the concerned blocks and collected waste water take by the RRC People and transpotation provided on alternative days.

At SMEC, the E-waste is collected through arranging bins at fixed points in the individual blocks and the collected E-waste is sent to RRC. RRC will organize sorting of the E-waste into different categories and bailing appropriate disposal. RRC shall coordinate with ITC and undertake necessary measures for the dispatch of E-Waste.

SMEC also has Food Management System. The food waste is collected and composed in a Kwik Composter machine. The composed waste is disposed carefully. Also SMEC follow methods like Reduce, Recycle and Resuse related to Food waste.

7.1.8 - Describe the Institutional efforts/initiatives in providing an inclusive environment i.e., tolerance and harmony towards cultural, regional, linguistic, communal socioeconomic and other diversities (within 200 words).

The institution has made efforts to provide an inclusive

atmosphere that encourages peace, tolerance and harmony among students and faculty. In order to ensure holistic development of students and staff, the institution encourages them to involve in community services to develop good citizenship.

The institution is increasingly involved in conducting the outreach programs for the welfare of the society and to create awareness among students towards social issues The staff and students belong to different communities like Hindus, Muslims, Christians etc. being their mother tongues different like Tamil, Telugu, Bengali, Hindi etc.

Yoga, guided meditation sessions, seminars on human values are organized every semester to create coherent environment and respect for individual. To promote cultural and regional heritage with diversity SMEC arranges cultural programmes like traditional day and batukamma. SMEC FEST (JANKAR) is the annual festival conducted every year where students are exposed to various dance forms, different instrumental music and poetry.

Transparent governance with clearly laid own procedures and Practices is paving ways for the inclusive environment in the College. Faculty working in the college, who belong to various parts of the country and different religions, are the indicators of the inclusive environment. Students will be guided, motivated and groomed independent of their region, religion etc. Every student will have equal opportunity to be part of the co-curricular and extra-curricular activities and taking leadership in the events organized in SMEC.

7.2 - Best Practices

7.2.1 - Describe two best practices successfully implemented by the Institution as per NAAC format provided in the Manual.

BEST PRACTICE I

Title of the Practice: An Integration of Innovations, Enlightening Technical Skills to Manifest into Career Building: A Hub of Technology for Prosperity.

Objectives of the Practice

- a) To enlighten skills and bring awareness about latest technologies, industry requirements and overallpersonality development.
- b) To help in Career Visioning and Nourish the Designing and Innovative skills, paving way towardscareer in core companies.
- c) To gain a competitive advantage by developing

technicalskill sets that is in demand.

- d) To meet the demand for Business entrepreneurs, Innovators, Creative thinkers to Society where data is central to Research, Teaching and Business.
- e) To influence contacts with industry and improve interdisciplinary training of technical skillscollaborate with training companies for domain-specific employability.

BEST PRACTICE II

Title of the practice: In grain Discipline, Human Interaction and Universal Values among the students through Community Orientation Activities.

Objectives of the Practices:

- a) To model a new student orientation program that builds foundation for development of communitylearning
- b) To create an atmosphere that minimizes anxiety, promotes positive attitudes, and stimulatescuriosity for learning
- c) To emphasize importance of being involved in community orientation programs and taking responsibility for growth and humanity development

7.3 - Institutional Distinctiveness

7.3.1 - Portray the performance of the Institution in one area distinctive to its priority and thrust within 200 words

Institutional Distinctiveness:

EFFECTIVE PLACEMENTS FOR CAREER BUILDING OBJECTIVES

a) The goal of Training Placement cell is to provide students

with a platform for utilizing their potential to gain valuable experience through working for Industry.

- b) It also acts as the Interface among various companies seeking talented young graduates from various disciplines.
- c) To place students in Prospective IT Core companies.
- d) To help the students developing a passion to win with a global mindset.
- e) To assist students developing their academic and career interests, and their short as well as long-term goals through individual counselling and group sessions.
- f) Maintaining and updating the database of students, maintaining database of companies and establishing strategic links for campus recruitments.

EVIDENCE OF SUCCESS

The College has a record of 100% placements and the students of the college arebeing placed in top MNCs and IT giants all over the country. The college has celebrated "Placement Day' on 03-06-2022, first ever event in the state of Telangana where all the placed students are given their offer letters in the presence of thier parents.

7.3.2 - Plan of action for the next academic year

FUTURE PLANS OF THIS INSTITUTE:

- 1. To increase the intake of the emerging course like CSE(AI&ML) and AI&DS.
- 2. To get funding projects from government and private agencies.
- 3. To conduct more Technical events like Guest Lectures,

FDPs, STTPs etc for the benifit of student and faculty.

- 4. To get funding for the projects developed in MSME incubation center.
- 5. To achive NIRF and ATAL rankings.
- 6. To plan for the Center of Excellence
- 7. To increase the IT infrastructure facilities.
- 8. To expand the infrastucture of the institute.
- 9. To achieve the AICTE Happiness Award.
- 10. To encourage students for startups
- 11. To have more industry institute interactions.
